

# BigKAHUNA

Suitable for community agriculture, commercial botany, herbology or compassionate care, the Big Kahuna allows you to produce 36 plants per month with no downtime. Use this Package to run full cycle crops or kickstart a crop before moving it to the greenhouse or the great outdoors.

The Big Kahuna comes with 4 Producers, 1 Veg Bloombox, 1 Mothership, 2 Dryers, 1 PowerCloner 45 and 1 Big Kahuna Back-up Pack. With the ability to house multiple mother plants, a seamless cloning chamber, large yields and the perfect cure, this turnkey factory will give you a head start on every season.

## Accessories Included

Everything you need for a turnkey solution. The accessory pack includes: Digital PH Pen, Digital TDS Pen, Electrode Storage Solution, Measuring Syringe, Pruning Scissors, Cloning Scalpel and Indoor/Outdoor Digital Thermometer.

## The Dryer

Our easy to use Dryer has over 7.5 square feet of curing space. The Dryer will help protect you from mold, offensive odors, and the mess normally associated with curing. This little wonder also speeds up drying time, allowing you to enjoy your product sooner.

1. Grow and Keep up to 4 mother plants in your Mothership.
2. Take up to 45 cuttings and place them in your PowerCloner 45
3. Tuck your PowerCloner 45 into the left side of your VegBloombox for 7-10 days.
4. Take your best 36 rooted cuttings and place them in the right side of your VegBloombox.
5. After 10 days transfer them into two of the Producers for flowering.
6. After 8 weeks of flowering, move your trimmed product into The Dryer for 5-7 days.
