

BigKAHUNA

With Cheese

With this system there's no messing around. The Big Kahuna with Cheese is the most efficient way to grow, maximizing all our machines to their fullest capabilities. By adding the fromage to your Big Kahuna you are adding 2 more Producers in to the mix (6 Producers), allowing you to turn over more crops and more yield. This is an investors dream! You do the math...

The Big Kahuna With Cheese comes with 1 Veg Bloombox, 6 Producers, 1 Mothership, 2 Dryers, 1 Powercloner, 2 Rubbermaid tubs, 1 Stainless Steel Trimmer Pro and all of the nutrients and backup parts to get you started.

Big Kahuna With Cheese Pack

BigKAHUNA

With Cheese

1. Grow and keep up to 4 mother plants in your Mothership.
2. Take up to 45 cuttings and place them in your PowerCloner 45.
3. Tuck your PowerCloner 45 into the left side of your Veg BloomBox for 7-10 days.
4. Take your best 36 cuttings and place them in the right side of your Veg BloomBox.
5. After 7-10 days transfer them into two of the Producers for flowering.
6. After 8 weeks of flowering, move your trimmed product into The Dryer for 5-7 days.
7. Don't forget to start your next batch of 36 with about 3 weeks left in flower!
